FABULOUS (STUDIO) VIDEO WITH A 23 SECOND PIANO SOLO OPEN  
I CAN LISTEN TO THIS SONG OVER & OVER & OVER & OVER & OVER.

Standing in line, marking time, waiting for the welfare dime

'Cause they can't buy a job

The man in the silk suit hurries by, and as he catches the poor old lady's eyes

Just for fun he says: **Get a job** → (**TGH-Embezzlers** don't **Need a job.**)

That's just **the way it is**: **Some things will never change...**

(It's **black & white.**)

That's just **the way it is**: Ha, but don't you believe them

(True that.)

Said: **Hey, little boy**, you can't go where the others go

(**Hey, slave boy,**)

'Cause you don't look like they do

(**TGH-Embezzlers** look good!)

Said: **Hey, old-man**, how can you stand to think that way?

(**Hey, TGH-Embezzler,**)

Did you really think about it, before you made the rules?

(Yes, I did.)

He said, son:

That's just **the way it is**: **Some things will never change...**

(Wanna bet?)

That's just **the way it is**: Ha, but don't you believe them

(True that.)

Oohh, yeah (followed by a musical interlude)

That's just **the way it is**. That's just **the way it is**.

< both lines are whispered

**Well, they passed a law in '64, to give those, who ain't got, a little more,...**

...but it only goes so far

'Cause the law don't change, **another's mind**

When all **it** sees, at the hiring time,

Is the line on the color bar, no

That's just **the way it is**: **Some things will never change...**

That's just **the way it is**,

That's just **the way it is**, it is...

The **criminal** entity,  
in my book, is **TGH**, or  
**Tampa General Hospital.**
